## 2010 Club Championship & Putting Championship

Sat. & Sun., September 25 & 26, 2010  
12PM (or later) Tee Time Start on Saturday  
1PM Shotgun on Sunday

*Tournament Coordinator: Al Geelhaar*

The Club Championship will be a two-day, stroke play event for men, and a one-day stroke play event for women, open to Club members only (men subject to the Tournament Participation Policy). The mens event will have at least two flights, and there will be both gross and net score winners. Full handicaps, based on the Club handicap policy, will be used. Players competing for the men's gross score Club Championship must play from the blue tees. Women will play from the red tees. **There will be tee times beginning at noon on Saturday, and a 1PM shotgun start on Sunday. Women will play only on Sunday.** If desired, women may sign up for a practice round to be played on Saturday, with that day's scores not counted toward the Championship. Dinner will follow the round on Sunday.

The men's Putting Champion will be the player with the least number of putts over both rounds. The women's Putting Champion will be the player with the least number of putts on Sunday. There will be a "putt-off" on the practice green after Sunday's round if there is a tie.

A members' meeting will be held after the second round on Sunday. The meeting will include a presentation of the financial status of the Club and the announcement of the Board of Directors for 2011. Members unable to play in the tournament but wishing to attend the meeting can also sign-up for dinner, if they desire. Dinner will be served around 6:00PM.

The resort has blocked times for 40 players for the Club Championship, so sign-up and pay by September 20th to be guaranteed a spot. After this date, the resort will release any remaining times, so players wishing to sign up after September 20th will only be allowed to play if a spot is available in the tournament field or someone drops out.

### Entry Fees (Per Person)

Men: Greens fees (both days) + \$30 food / prize fund

Women: Greens fees (include Saturday if playing practice round) + \$30 food /prize fund

Mail or deliver your entry form to the Club or Resort. Entries must be received by 9/20/10.
